

## A SAD GOODBYE TO DOROTHY

### *In happier times Dorothy Sewell, out with Nancy Fish*

Willowdale Lawn Bowling Club members were in shock when they received the news that Dorothy was one of the victims of the murderous attack on Yonge Street on the 23rd April. Dorothy was a member of the club for the past five years, and was looking forward to returning for the 2018 season, after having to take last year off due to medical issues.

Dorothy's funeral was held at the Kane Funeral Home, and was attended by Club members and Mayor Tory, who has a historic family connection with the Club.

Dorothy will be remembered as a very kind, friendly happy member who was a fan of all sports. A lovely lady, full of fun.

On 8th May the Juke Box Jammers, led by Ora's mother, Judith Ross, came to the Clubhouse and performed music and songs through the early evening, with guest performers young and old. This was a fund raiser for the victims. The performances lightened the mood with a fun evening. We hope that this visit will not be their last!

### Toronto Marathon runners remember, honour victims of van rampage

*from Toronto Star report Sunday May 6th*

*"Half-marathoner William Sze and other members of the Willowdale Lawn Bowling Club handed out signs to pin to their shirts, remembering victim and club member [Dorothy Sewell](#) for her kindness, and honouring the others who died or were hurt.*

*Half-marathoner William Sze holds signs remembering Dorothy Sewell, a victim of the Toronto van rampage. Sewell, like Sze, was a member of the Willowdale Lawn Bowling Club. He wore the sign tacked to his shirt during the race Sunday. "*

We were pleased to see that this sign was added to the attire of a number of runners. Our thanks to William Sze, Zee Jones and Martin Furman for being up early, and there by 6am on Sunday morning, to hand out these signs to many of the 8000 runners.

**Bench Dedication to Dorothy Sewell**-WLBC executive members would like to dedicate a bench to Dorothy as a lasting memory of this wonderful member, taken before her time.
