## SHORT MAT LAWN BOWLING DEMONSTRATION

By Martin Furman

GWL Realty, who are a subsidiary company of the Great West Life Insurance Co., have agreed to allow the Willowdale Lawn Bowling Club to hold a short-mat lawn bowling demonstration in their building situated at [5140 Yonge St.](#) This building contains the North York Public Library and is situated almost across the road from the club. Over 5,000 people work in these building and adjacent buildings and there is a great deal of pedestrian traffic in the building. Over 1,000,000 people visit the library in a year.

The purpose of the short-mat demonstration will be to promote the Willowdale Lawn Bowling Club, lawn bowling generally, as well as to raise funds for two local charities being the #TorontoStrongFund and the Heart and Stroke Foundation.

It is envisaged that the short-mat demonstration will be held over 3 days. Tuesday, May 29 to Thursday, May 31 between the hours of 10 a.m. to 5:30 p.m. Note a National Lawn Bowling Day will be held at the Club on Saturday, June 2, so this also represents an excellent opportunity to publicize this event.

**But we can't go ahead with this opportunity unless we have enough people to help.** All that is required of helpers will be to show interested members of the public how to roll a lawn bowl on the short-mats and to promote the outdoor sport played in the open air across the road.

We still need 20 helpers to take part in the proposed shifts.

Three shifts will held each day as follows:

- 10 a.m. to 1 p.m.
- 1 p.m. - 4 p.m.
- 4 p.m. to 6 p.m.

4 - 6 people will be required for each shift. Helpers can take different shifts on different days or different times on the same day. Looking forward to hearing from you!
