The New Executive met within a month of being elected and on the 13th of November plans were commenced for the 2018-2019 season.

All Committee members will welcome member input and all members are encouraged to put ideas forward.

### NOVEMBER SADLY SAW THE PASSING AWAY OF A SPECIAL WILLOWDALE LAWN BOWLING CLUB MEMBER

It is with great sadness that we learned of the passing of LIFE member "Jack" John Bruce

Marshall. Jack was born in 1933. Jack passed away peacefully, on Sunday, November 18, 2018. A long time resident of Willowdale, he enjoyed curling, photography and lawn bowling, and was a proud life member of Willowdale Lawn Bowling Club. He worked for Ford Motor Company until retirement. During recent years he would be at the Club for most tournaments, unfortunately a competitive bowler only watching. Jack and his father were both very much involved with the Club and the construction of the Greens. Jack generously donated a dozen sets of his lawn bowls to the Club three years ago, which had been kept in pristine condition. Bye Jack, we will miss you.

### SHORT MAT BOWLING IS FOR ALL!

As we head towards Winter, the Club is prepared for indoor activities, with two short mats down since mid October, available to every member at any time. We hope that there will be sufficient interest in short mat to have some organized tournaments and leagues. Come try out so you can feel the enjoyment of a skilful game this winter instead of watching TV. A dartboard is in place for those entering the North York Seniors Tournament Darts Division (or just for fun!), the kitchen is available, the big screen TV is available for movies, if you want to use the Club house for an event please give the executive sufficient notice and it will be arranged. They are your club facilities so you can use them year round.
