

Willowdale Lawn Bowling Club
150 Beecroft Road
Toronto, Ontario
M2N 5Z5
Tel: 416-221-6362
May 19th, 2020

Dear members and friends,

As a result of the pandemic we all currently facing, the executive committee is seeking donations to cover the cost of overheads and maintenance to keep the club operationally ready, until such time as we can safely re-open.

The funds will be used to pay ongoing expenses associated with greens maintenance and utilities—recurring costs that we have been unable to trim from our budget. The funds will also be used to comply with our COVID 19 policy providing protective items needed for a safe re-opening—hand sanitizer, dispensers, spray, gel, wipes, gloves, masks and signs to remind members to maintain appropriate physical distance, all need to be purchased.

Each member of the executive committee has made a personal commitment to donate \$100, and we ask that you join us if you have the financial means with which to do so.

Although we are asking for \$100 per member, we will accept any donation, whether more or less than \$100. When the club re-opens, we will ensure that your donation is applied to any membership fees due for the 2020 season.

You can donate by cheque or electronic funds transfer. If you prefer to write a cheque, please send it to:

Joe Simpson Treasurer, Willowdale Lawn Bowling Club
170, Ellerslie Ave, North York On M2N 1Y4

If you choose to donate by electronic transfer, please address your Interac payment to wlbcb@bell.net password: lawnbowling (no spaces). Those paying by e-transfer must include their name in the message portion as not all e-mails are self-explanatory. Any problems with the donation deposits, please call Joe Simpson on cell #647-567-0623.

On behalf of your executive committee and the Willowdale Lawn Bowling Club, we thank you for your ongoing membership and your generosity.

We have not received a firm indication as to when the facilities will be re-opened, but we can be sure we will only follow after schools and work places. We look forward to safely opening the club as soon as possible—re-connecting with our members and welcoming new members to our wonderful sport.

Until that time, please stay safe, healthy and happy.

Yours sincerely,

Gordon Jones
President
