Subject: WLBC STEP 3 and 4: Membership Registration Form and payment

Members and friends,

Before you can return to play, you must complete and sign a membership registration form and pay your fee of \$100 for the 2020 season.

Two versions of the registration form are attached, and you have a number of options.

Please complete the membership registration form, print it and sign it. Bring your signed membership registration form to your first session. If you could also send us a reply e-mail with the completed form attached, that would assist with our record keeping.

You are required to pay your 2020 membership fee before you can bowl. If you responded to our earlier request for donations, your donation will be applied to your membership fee. Please enter the amount of your donation on the appropriate line of the registration form.

You can pay your membership fee (or donate to the club if you choose to not bowl this season) by cheque or electronic funds transfer. If you prefer to write a cheque, please bring it to your first session or send it to:

Joe Simpson Treasurer, Willowdale Lawn Bowling Club
170 Ellerslie Ave, North York On M2N 1Y4

If you choose to pay by electronic transfer, please address your Interac payment to wlbc@bell.net with the password: lawnbowling (no spaces).

If you pay by e-transfer, please include your name in the message portion, as not all e-mails are self-explanatory. If you have questions about paying your membership fees, please contact Joe Simpson at 647-567-0623 or joe.a.simpson@gmail.com.

Our next e-mail to you will contain the OLBA Declaration of Compliance for COVID-19, which must be completed and signed each time you play during Phase 1.

As always, if you have any questions, please send them to info@wlbowl.ca.

Sincerely,

Gordon Jones
