Subject: WLBC Step 5: OLBA Declaration of Compliance—COVID-19

Members and friends,

I have attached a copy of the OLBA's COVID-19 Declaration of Compliance.

This document must be completed and signed each time you come to the club to practice during Phase 1.

The easiest route is to print, sign and date a copy each time you come to the club. We will have copies available at the club, should you forget. But you might want to throw a pen in your bowls bag in case you forget to bring your own.

If you have any questions, please send them to info@wlbowl.ca.

Sincerely,

Gordon Jones
