Members and friends,

Your board of directors is planning for a July 2 return to play for the Willowdale Lawn Bowling Club. As you can imagine, this year will be significantly different from anything we've experienced.

The attached document outlines the five steps you must take if you plan to return to play this season which, for now at least, will be practice only. It also outlines how and when we plan to open for the 2020 season.

Over the next two weeks, you will receive a number of e-mails from us. We are trying to keep things simple but, as you can imagine, we are new to this as well. Your patience is appreciated.

If you have any questions, concerns or comments, please let us know.

Sincerely,

Gordon Jones
